

New roof for Woodfarm High School

The project

A 500m² re-roofing works at Woodfarm High School on behalf of East Renfrewshire Council, working in partnership with SOPREMA UK and Cosmos Projects Ltd.

Approach

The project included the full removal of all existing waterproofing and redundant rooflights and the installation of a new bituminous roofing system with GRP edge trim.

Outcome

The school now has a fit-for-purpose roof, giving the building a new look and feel, as well as improving the energy efficiency of the building.
